POWER SUPPLY GAN TYPE-C 3A 25W

TYPE-C PD

3A

25W

HOME

COD. 59.1805.08

BARCODE: 8023389766215

TECHNICAL FEATURES

Port Nr	1	Power	25W
Port type	Type-C PD	Addictional functions	Power Delivery
Output voltage	5-9-12 Vdc	Dimensions	71.5x35.5x31mm
Max current flow	3A	Weight	56g
Output current	5 V - 3 A / 9 V - 2.77 A / 12 V - 2.08 A	Color	White
Input voltage	100 - 240V	Packaging	Hanging carton box

The USB C charger supports maximum power of 25W Supports multiple fast charging protocols such as PD 3.0, PPS, QC. The charger optimizes your charging experience with GaN technology such as power saving, heat dissipation, compact size, etc.

It's smaller and more compact while giving you even more power. Equipped with intelligent chips to protect your devices from short circuit, over voltage, over heat and over current, keep you and your device safe.
