POWER SUPPLY GAN TYPE C PD + 1 USB QC

USB QC 3.0

TYPE-C PD

3A

45W

HOME

COD. 59.1805.35

BARCODE: 8023389748945

TECHNICAL FEATURES

Port nr	2	Output voltage	5-9-12-15-20Vdc ⎓
Port type	USB 3.0 QC, Type -C PD	Addictional functions	Power Delivery + QC 3.0
Output current	5.0V-3.0A/9.0V-3.0A/12.0V-3.0A/15.0V-3.0A/20.0V-2.25A	Dimensions	81x35.5x35.5mm
Power	45W	Weight	98g
Max current flow	3A	Color	White
Input voltage	100 - 240V	Packaging	Hanging carton box

The USB C+A charger supports maximum power of 45W Supports multiple fast charging protocols such as PD 3.0, PPS, QC. Intelligently distributes energy, charges 2 devices at high speed: Port: USB-C=45W (MAX) or USB-A=45W (MAX), 2 Ports: USB-C + USB-A=35W+10W) The charger optimizes your charging experience with GaN technology such as power saving, heat dissipation, compact size, etc.

It's smaller and more compact while giving you even more power. Equipped with intelligent chips to protect your devices from short circuit, over voltage, over heat and over current, keep you and your device safe.
